

## CARBON REDUCTION PLAN

### CALCULATION

<https://www.carbontrust.com/our-work-and-impact/guides-reports-and-tools/sme-carbon-footprint-calculator>

#### Data you've entered for your carbon footprint

Emissions type	Amount	Units
diesel	858,636	litres
petrol	5,754	litres
electricity	300,670	kWh
natural gas	29,781	m3

**2,377,826 kgCO<sub>2</sub>e**

If you'd like to report your emissions, you can do so by breaking this down into:

**2,300,578 kgCO<sub>2</sub>e**

Scope 1 emissions  
(direct energy and processes)

**77,248 kgCO<sub>2</sub>e**

Scope 2 emissions  
(indirect impact from electricity)
